 - Government of Meghalaya sanctioned DA upto 6 monthly average CPI level of 457 on 1.1.1982 according to their own pattern, i.e. Rs.1.30 per point for all employees but switched over to Central pattern with effect from 1.10.1983.  - Government of Tripura switched over to Central pattern of DA with effect from 1.10.1981. They have not intimated the index level upto which DA had been sanctioned as on 1.4.1982. The State has shown the DA as on 1.4.1982 and the presumptive DA payable as at CPI level 440. The difference between these two amounts amounted to five installments of Dearness Allowance. From this the CPI level for column 2 was worked out.
 - Government of West Bengal has indicated the cost of one DA instalment as Rs.18 crores. Out of this a sum of Rs.1.44 crores attributable to the employees of State Public Sector Undertakings and Statutory bodies has been excluded.
